January 2024

Message from Mr. Desmond

Happy New Year! Believe it or not, we are now almost halfway through the 23-24 school year since the end of Term 2 is approaching on January 23rd.

With only a limited number of days left in the term, it is essential that students are present in school and on time every day. If any student has three or more absences, we encourage them to begin an Attendance Buy Back in order to help ensure they are in good standing regarding school attendance. For students that may need some more assistance with their academics, we have after school homework help Monday-Thursday every week for both middle school and high school students. If you have specific concerns with a particular class, please reach out to your child's teacher as soon as possible so that we may put a plan in place for students to find success.

Here's to an AWESOME January!

Winter Art Show and Concert

We hosted the Winter Art Show and Concert on December 14th. The evening was a great success with some amazing art on display and for sale and some outstanding performances by our Middle School and High School Choirs and Bands. Congratulations to Ms. DiChiara, Mr. Wood, Mr. Ellis, Ms. Neprud and all of the students for a great evening!

Winter Art Show and Concert

The Winter Concert concluded with a fantastic combined piece of our middle school and high school choirs and bands. We look forward to the performances coming our way for the Spring Concert!

Early College Update

Our Early College Program continues to run well! Every one of our 15 students performed extremely well in the Early College Intro to Business course through Massasoit Community College. Later this month, students will begin Intro to Psychology. We expect great things from these high achieving students!
