*To the extent present in or served by the district

Evidence-Based Strategies, Interventions, and Supports:

5 Step 4.2 Describe how ESSER III funds, including the required 20% reservation, will be used to respond to students' social, emotional, and academic needs through *evidence-based* interventions, how progress will be measured, and how/if of 4.4 chosen interventions address disproportionate impact of COVID-19 on underserved subgroups. Select from the following list of evidence-based interventions and provide a narrative at the bottom of this step for any of your district's evidence-based initiatives that are not listed. Note: Your district's 20% reservation to address loss of instructional time must be spent on evidence-based interventions.

Enhanced Core Instruction		This strategy will address pandemic-related learning loss/disproportionate impact	What data will you use to measure progress?	Does this strategy/intervention address the disproportionate impact of COVID-19 on underserved student subgroups (each major racial and ethnic group, students from iow-income families, students with disabilities, English learners, gender, migrant students, students experiencing homelessness and students in foster care)? If yes, please explain which group(s) are being served, what impact is being addressed, and how this strategy/intervention will provide support.
Expanding access to full-day, high-quality prekindergarten	Select	Select		
Purchasing and/or expanding use of high-quality, aligned instructional materials (any content area) and associated professional development	Yes		Progress will be measured through student testing - MCAS,ACCESS, NWEA Measures of Academic Progress, DIBELS and other benchmark testing.	This strategy will address all subgroups.

			-	
Professional development for teachers and administrators re: culturally responsive teaching	Yes	Select	Progress will be measured through school culture/climate surveys	This strategy address the impact on major racial and ethnic groups.
Screening assessments and associated professional development (e.g., early literacy screening)	Select	Select		
Expanding access to career-technical education (including "After Dark" district/vocational partnerships), innovation pathways, and advanced placement courses (including fee subsidies and teacher training)	Yes	Yes	Progress will be measured through student participation and course completion.	This strategy will address all subgroups.
Extending the school day/year and prioritizing student access to additional time by student need	Yes	Yes	Progress will be measured through student testing - MCAS, ACCESS, NWEA Measures of Academic Progress,DIBELS and other benchmark testing	Specialized programs will be developed to address all subgroups.
Tutoring programs and support, including early literacy tutoring (including training paraprofessionals) and peer tutoring programs.	Yes	Yes	Progress will be measured through student testing - MCAS, ACCESS, NWEA Measures of Academic Progress,DIBELS and other benchmark testing	Specialized programs will be developed to address all subgroups.
Developing or strengthening data cycles to facilitate and inform student learning and associated professional development and support personnel	Select	Select		
Early college programs, particularly those focused on students underrepresented in higher education	Yes	Yes	Progress will be measured through student participation and course complettions.	This strategy will address racial and ethic groups, students with disabilities, and low income students.
Targeted Student Supports	Our district is using ESSER III funds for:	This strategy will address pandemic-related learning loss/disproportionate impact	What data will you use to measure progress?	Does this strategy/intervention address the disproportionate impact of COVID-19 on underserved student subgroups (each major racial and ethnic group, students from low-income families, students with disabilities, English learners, gender, migrant students, students operiencing homelessness and students in foster care)? If yes, please explain which group(s) are being served, what impact is being addressed, and how this strategy/intervention will provide support.
Developing or expanding high quality co-teaching and inclusion models for students with disabilities and associated professional development	Yes	Yes	Progress will be measured through student testing - MCAS, ACCESS, NWEA Measures of Academic Progress,DIBELS and other benchmark testing	This strategy will address on the impact on students with disabilities.
Acceleration academies (during school year vacations) and summer learning opportunities for individualized instruction and enrichment	Select	Select		
Language support programs, including dual language and heritage language programs (students learning in-home/native language) and associated professional development	Select	Select		
Community-based afterschool programs for parents, including citizenship and ESL classes	Select	Select		
			Charlen have discovered and discovered and an and a second state of the second state o	This strategy addresses all subgroups. Support will be based on individual student needs.
Dropout prevention and recovery programs	Yes	Yes	Student credit upon credit recovery programs will measure progress.	This strategy addresses an subgroups, support win de based on mornouar stratery necks.
Dropout prevention and recovery programs Talent Development and Staffing	Our district is using	Yes This strategy will address pandemic-related learning loss/disproportionate Impact	Sudent creat upon o con recovery programs will measure progress. What data will you use to measure progress?	Does this strategy/intervention address the disproportionate impact of COVID-19 on underserved student subgroups (each major racial and ethnic group, students from low-income families, students with disabilities, English learners, gender, migrant students, students experiencing homelessness and students in forer care?) If we pieze explain which group(s) are being served, what impact is being addressed, and how this strategy/intervention will provide support.

Step 4.3 of 4.4 Ec

Equitable Use of ESSER III Funds

How is your district taking educational equity into account when planning for expending your ESSER III funds? For example,

1) allocating funds both to schools and districtwide activities based on student needs, and

2) implementing an equitable and inclusive return to in-person learning by, for example, avoiding over-use of exclusionary discipline and

creating a positive and supportive learning environment for all students.

Teachers and support staff for afterschool and summer programming will be funded through the grants. The programs will target the unique needs of special student populations. Transportation will be provided to ensure students have access to the programs. Teacher focus groups and staff professional development will focus on Diversity, Equity and Inclusion along with Social Emotional Learning. Students will also be given access to early college and career programming.

Step 4.4 CDC School Safety Recommendations

of 4.4 This information will come from your District Reopening Plan as well as any supplemental/revised reopening policies for your district.

CDC Reco	ommendation	Does your district have a policy or policies on this topic?	If "Yes," is it described in your District Reopening Plan?	If you have a policy but it is not described in your District Reopening Plan, please briefly describe here.
1	Universal and correct wearing of masks	Yes	Yes	the Avon Public Schools has procedures for all of the CDC recommendations.
2	Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)	Yes	Yes	
3	Handwashing and respiratory etiquette	Yes	Yes	
	Cleaning and maintaining healthy facilities, including improving ventilation	Yes	Yes	
5	Contact tracing, isolation, quarantine in collaboration with health departments	Yes	Yes	

TIP: Note that your district is not required to adopt <u>CDC school safety</u> <u>recommendations</u> to receive ESSER III funds. This data is being collected for reporting purposes.

6	Diagnostic and screening testing	Yes	Yes	
7	Efforts to provide vaccination to school communities	Yes	Yes	
8	Appropriate accommodations for children with disabilities with respect to health and safety policies	Yes	Yes	
9	Coordination with state and local health officials	Yes	Yes
