Wear purple and donate a kid's toothbrush, toothpaste, new markers, crayons, or coloring book. It is our hope everyone can attend. On January 31<sup>st</sup>, the Boys Varsity team beat rival Blue Hills 63-61 in front of a sold-out crowd. The Panthers were

The next middle School basketball game is against West Bridgewater on 2/15 at 3:30, hope all can attend.

AMHS Update: The month of February is Black History Month. Posted on our school's website is a list of resources that families can access to discover influential and groundbreaking individuals who have shaped and led our country and those who are boldly blazing a bright path to our future. The Drama club performed this year's "Student Shorts" despite the unpleasant weather. The Term 2 Report Cards are available on the student portal, and if anyone requires assistance, please notify the main office. Today through Friday students can order pink carnations for delivery on Valentine's Day. Send them to friends and that special someone. Go to the table in the main lobby during your E block lunch. Carnations are just \$2 each. Sponsored by the Interact Club and the Sophomore Class.

Butler Update: The students at Butler have been working hard at increasing their math skills by logging minutes on MAP Accelerator. Students who logged 200 minutes in January were rewarded with a list of options including extra recess, homework passes, and a technology free period. The Butler Student Council is sponsoring a 90s spirit day on Friday February 18<sup>th</sup>. Monday February 14<sup>th</sup> is the 100<sup>th</sup> day of school. Butler students will be celebrating in various ways including bringing in 100 items from home, or coming to school dressed like they are 100 years old!

### **III. PUBLIC COMMENT:**

### **IV. INFORMATION:**

- A.** Superintendent Report: Effective Monday, February 28 the DESE mask requirement will be lifted state wide. The decision was made based on high vaccination rates and widespread availability of testing. 100 staff members and 185 students have opted to participate in to the at home antigen test programs. Teachers received their test kits last week and students received their kits today. Families and staff who are not involved can opt-in at any time. Information is on the banner of our district website. Our cases have decreased dramatically over the past three weeks. Over the past week, we have had one student case and one staff case for the entire district. At this time, the mandate will be lifted on 2/28 unless the school committee disagrees with the lifting of the requirements and chooses to develop a policy.
- B.** The committee reviewing the NESDEC facilities study met for the third time today. The committee has opted to create a survey for the families of students in pre-school through sixth grade. The survey will be sent tomorrow. The committee will review the results at the next meeting scheduled a week from today.
- C.** Tracy Sheehan, Paul Chapman, Kathy McDonald and I met with the Board of Selectman and the Finance Committee last Saturday morning to present the budget. The Board and Finance Committee will meet next week with other departments this coming Saturday. Once they have looked over all department budgets they will be in communication with us.
- D.** The schools have some resignations, as Dawn Stockwell has resigned as AMHS principal. Thank you to Dawn for her six years of service to the Avon Public Schools. Jay Donovan, a history teacher has also resigned and has taken a position as an assistant principal in another district.
- E.** The federal Every Student Succeeds Act (ESSA) requires that districts receiving Title I funds distribute report cards to all parents or guardians of students enrolled in district schools. The Department asks that districts distribute report cards to families by the end of February. We will be reviewing the report cards with you tonight and will distribute the report cards to families.
- F.** School Report Cards – Principal Sarah Shaw and Principal Dawn Stockwell presented their school/district report cards to the committee. Principal Sarah Shaw discussed the date for Butler Elementary School and Principal Dawn Stockwell discussed the data for Avon Middle High School. The data is available on the Department of Elementary and Secondary Education website.
