Assistant Principal

February 1, 2018

Dear Parent/Guardian,

Thank you for your interest in the Avon Public Schools and for your application for non-resident admission to the Ralph D. Butler Elementary School for your child. We are very proud of our school and have endeavored to create and maintain a school program that is sensitive to the needs of each child, provides each child with a wide range of learning experiences, offers opportunities that extend and enrich the school's core curriculum, and actively involves parents in their child's education.

Non-resident applications for admission to the Avon Public Schools for the 2018-2019 school year will be accepted from February 1, 2018 through 12:00 noon on June 1, 2018. Non-resident students will be accepted for admission to the Ralph D. Butler School on a space available basis in accordance with the Avon School Committee Policy and the Department of Elementary and Secondary Education guidelines.

We do not anticipate a large number of openings at most grade levels, and we expect to begin notifying parents of successful applicants by June/July 2018. If more openings occur, further acceptances will be made up to the beginning of the school year. Applications of students who are not accepted prior to the start of school will be kept on file in the event of openings that may occur later in the year.

Thank you again for your interest in the Ralph D. Butler Elementary School, as well as your understanding and patience with this process during the next few months.

Sincerely,

Darrin B. Reynolds, Ed.D.
Principal
