**Community and School**

Avon is a suburban, middle-income residential community of approximately 5,000 residents, located 20 miles south of Boston. The school system consists of a pre-school (grades Pre-K), an elementary school (grades 1-6), and a middle-high school (grades 7-12). The high school has 190 students and is accredited by the New England Association of Schools and Colleges. In 2020, the school graduated 47 students. The Avon Public Schools participate in the School Choice program, which allows students from other communities to enroll in our district. These students are selected by an application/lottery system. In 2020-2021, the high school consists of a principal, an assistant principal, 32 teachers, a librarian, a guidance counselor, a school psychologist, a nurse, an ELL teacher, a part-time speech therapist, a part-time occupational therapist, and a behavior specialist.

**Curriculum**
